## **PataServonTHETRUE** DIGITAL MAILROOM

## Documents are sent directly to DataServ on our client's behalf from ANY SOURCE; in ANY FORMAT

Highly trained staff at our headquarters in St. Louis, MO, combined with our offshore resources, allow DataServ to receive and process documents 24 hours a day; 6 days a week. This consistant productivity, gives us the unique capability to provide our clients an amazing 24 hour turnaround! Our "No Vendor Left Behind" philosophy guarantees no matter who sends an invoice, how they send it, and what form we receive it, we will get it converted into your single stream of digital invoices.

OCR technology is great, but will never be perfect. For these exceptions, our highly trained experts step in to correct those values by matching against the original image and client supplied system data.

electronically so there is only one invoice per image.

## **Quality Assurance**

Our system is designed to auto-learn, so when clients first begin using our Digital Mailroom, QA is performed at higher rates until accuracy has been optimized.

## **Document Data Output**

Within 24 hours, DataServ clients receive fully digitized data that is over 99% clean and ready to integrate into any process or ERP. No client verification required.
